

WHAT IS **PAY IT FORWARD?**

Every year we hear from students and professionals who want to learn and network at the CFLE's National Sex Ed Conference, but **cannot afford the registration fee out of their own pockets**. And, every year the conference planners are in need of workshop moderators, registration check-in helpers, and more! The **PAY IT FORWARD** scholarship program responds to both needs! Students and professionals with limited means pay a substantially reduced registration fee, supplemented by generous individuals committed to investing in the future of sex ed. Scholarship recipients "pay it forward" by helping out at the conference.

Last year, **PAY IT FORWARD** enabled six professionals to attend who would not have been able to afford the conference fees on their own. Scholarship recipients "pay it forward," too, by investing volunteer time at the conference, while also learning and networking with the nationally-recognized leaders in the field. Scholarship amounts vary by year and depend upon overall funding and the number of requests received. Our goal in 2012 is to provide \$150 and \$250 scholarships to recipients.
