

Dear Friend,

A few years ago, an educator was taking a human sexuality course with other working professionals and mentioned The Center for Family Life Education (The CFLE's) upcoming Sex Ed Conference, a learning experience sponsored by Planned Parenthood of Greater Northern New Jersey. The conference features local and national trainers presenting on a variety of sexuality-related topics. A classmate said that she really wanted to attend, but **could not afford the registration fee out of her own pocket**. The CFLE responded by establishing *Pay It Forward*, a program whereby generous donors invest in the future by giving a helping hand to students and sexuality educators who are just starting out or have limited means.

What is Pay It Forward?

Pay It Forward is a scholarship that provides professionals with substantially reduced registration rates for The CFLE's annual Sex Ed Conference. Last year, *Pay It Forward* enabled six professionals to attend who would not have been able to afford the conference fees on their own. **This year, our focus is to support culturally diverse attendees who are emerging as professionals in the field.** Scholarship recipients *Pay It Forward*, too, by investing a small amount of volunteer time at the conference, while also learning and networking with the nationally-recognized leaders in the field. Scholarship amounts vary by year and depend upon overall funding and the number of requests received. Our goal in 2011 is to provide \$125 and \$225 scholarships to recipients.
